Please accept these comments as restated below from
Proponents original petition.

Petitioner respectfully submits that the public interest would be served by allocating Channel 253A to Lometa, Texas as that community's first competing FM service. Lometa, Texas is a community of 782 people. Lometa has its own post office, volunteer fire department and its own school district. The proposed channel 253A will provide additional diversity and an outlet for local self-expression to Lometa residents and therefore is in the public interest.

1

allotted to Lometa, Texas, Petitioner will apply for Channel 253A at Lometa and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Charles Crawford', is written over a horizontal line.
